I know you have asked for short bullets, but I think a brief summary of events and high-level overview are important. A summary in bullet form follows the below narrative. Please let me know if you have any questions or if additional information is needed.

Ex. 7(A)

- Early coordination with Corps, NFWFMD, and NRCS – emails and phone conversations. Received copy of agreement between NFWFMD and Deseret on November 1, 2019.
- EPA led joint inspection with the Corps of Engineers on an approximate 10,000 acre area in November 2019.
- EPA issued a 308 Information Request on December 20, 2019.
- 308 response received on June 7, 2020.
- Virtual meeting with Deseret on June 11, 2020.
